

Every day you share your talents with the citizens of Idaho to improve their lives. The Idaho Law Foundation extends the reach of your commitment through our services as the charitable arm of the Idaho State Bar.

In 1975 a group of visionary attorneys established the Idaho Law Foundation with a **mission** to

support the right of all people to live in a peaceful community by educating people about the role of law in a democratic society and providing opportunities for people to avoid and resolve conflicts.

You make this mission possible.

As an active contributor you ensure the continuation of this essential work, shared with the public on your behalf.

Idaho Volunteer Lawyers Program

assists Idahoans in crisis by matching those in need with volunteer lawyers who provide advice, consultation, and case representation.

Thanks to the support of attorneys like you, IVLP leveraged 16,000 hours of legal services for Idaho's most poor and disadvantaged citizens in 2005.
